Do you want to learn more about Sweden and Falköping?

Ask for a volunteer refugee guide!

For you who:
• want to learn more about the Swedish society and Swedish culture
• want to practice the Swedish language
• live in the municipality of Falköping, have a residence permit and want to get to know somebody who speaks Swedish fluently.

You and the volunteer refugee decide together what you will do and how often. Read more on www.falkoping.se/medborgarkontor
